

Hello from and Happy New Year from the CHR office. We would like to let you all know that we are currently running with 5 CHR's and been keeping very busy. To date we have 500 clients 55 years and older living the Trenton Indian Service Area.

The CHR's go to the Sidney/ Savage area to do home visits on Tuesdays and they go to the Plentywood area on Thursdays if you are requesting medication delivery and live in those areas please make sure you have called your medication in to the pharmacy the week before and called the CHR office the day you ordered them so we can get you scheduled for delivery. Medication cannot be left at a home where there is nobody there to receive them. If there is nobody there they will be returned back to the pharmacy in Trenton and you will be responsible to come and get them yourself. That is our policy!

Shopping is set aside for Wednesday mornings from 9:30 to 12:00, but a reminder medical transports will come before shopping so keep that in mind when you are shopping, plan ahead. Its winter time also and never know if we can get there every week with winter road conditions. So please try and shop for 2 weeks at a time.

Medical Transports have tripled for my girls in the past few months with the weather and roads the elders don't like to drive out there and we completely understand. If you need a ride please call at least 24 hours in advance we will be more than happy to schedule you a ride. For more information about the transportation contact us at the office [701-774-0303](tel:701-774-0303).

Medication Delivery is for elders 55 years and older with no other means of getting their meds themselves if you are requesting medication delivery you must call the pharmacy and order your medications then call us on the same day so we can get you in the book for delivery for the next day. Make sure you have refills if you don't that will delay delivery! We will try to deliver your medications 1 time and if you're not home at the time of delivery your medications will be brought back to the pharmacy for you to pick up!!!

If you would like any information on the CHR office and the services we offer please feel free to give us a call at [701-774-0303](tel:701-774-0303) we are here **Monday – Friday 7:00am to 5:30pm**. Or you can call after hours and leave a message and we will get back to you.
