

TRENTON COMMUNITY CLINIC PHARMACY

The Pharmacy is a division of the clinic and is here to provide medications within the guidelines of Indian Health Service and the Trenton Indian Service Area.

We service enrolled Native Americans and their descendants that are registered with the Trenton Community Clinic.

Eligible Native Americans must live within the Trenton Indian Service Area.

Trenton Pharmacy does not mail out any medications

We do have a program for our full time college students attending school outside of the service area, please contact the pharmacy for detailed information.
