

TISA's Infant Toddler Program

Julie Longie, Program Director

Hours: 8:00 am- 4:30 pm, Monday-Friday

Contact: 701.572.8316 or 701.774.0461

Infant Toddler is an equal opportunity program. We are dedicated to helping the Tribally enrolled members that live within the Trenton Indian Service Area with their needs. New Mother's will receive a welcoming package from the program to help in the development of the children.

We also offer needs of the children and a lending library that consist of:

- ❖ Cribs
- ❖ Mattresses
- ❖ Toddler Beds
- ❖ Strollers
- ❖ Monitors
- ❖ Books
- ❖ Learning Packets
- ❖ Car Seats
- ❖ Booster Seats
- ❖ Potty Chairs
- ❖ Baby Gates
- ❖ Play Pens
- ❖ Games
- ❖ Movies

We also have a training that is offered to both licensed and in-home daycares in which we will certify the caretakers in CPR, car seat installation and other safety issues that they may have.

It is our vision to reach each infant and follow them through to kindergarten. We want to make sure our new Mother's and our daycares are doing what is in the best interest of the children of the area.

Please contact Julie at the above numbers to schedule an appointment if you are a new Mother, a Mother of young children, a daycare provider so that she can help you with whatever needs you may have.

Have a safe, happy, and healthy summer!
